EXPERT REPORTS

ANIMAL HEALTH

The OIE has set up five Regional Commissions to express specific problems facing its Members in the different regions of the world. These Commissions can be seen as fully fledged regional institutional bodies. Regional Commissions report on their activities and submit recommendations to the World Assembly of Delegates.

Recommendations endorsed by the World Assembly of Delegates of the OIE on 30 May 2019

23th Conference of the OIE Regional Commission for Africa, Hammamet, Tunisia, 25 February – 1 March 2019

Recommendation no. 1. Veterinary paraprofessionals: their governance and role in improving animal health and welfare in Africa

Recommendation no. 2. The PVS Pathway as an advocacy tool for increased investment in Veterinary Services in Africa

24th Conference of the OIE Regional Commission for the Americas, Punta Cana, Dominican Republic, 19–23 November 2018

Recommendation

28th Conference of the OIE Regional Commission for Europe, Tbilisi, Georgia, 17–21 September 2018

Recommendation no. 1. Application of biosecurity in different production systems at individual, country and regional levels

<u>Recommendation no. 2</u>. Importance of the prescription of antimicrobial agents and control of their distribution (with a possible e-tracking system) by the Veterinary Services for a proper implementation of the antimicrobial resistance strategy

Recommendations of Conferences of OIE Regional Commissions and reports of the meetings of the OIE Regional Commissions held during the OIE General Sessions since 2001
